Terms of Registration

Coral Club is a community of like-minded people who, by choosing the Company's products, choose positive changes for the better. A healthy lifestyle is the foundation of our community, and Coral Club is a place where you can meet people who share the values of health, beauty, and personal development.

You can join the Club by recommendation — an invitation from a Club Member. The recommender is your guide to the products and your gateway to the business opportunities that Coral Club offers to consumers and distributors. If any of your family members (spouses, whether in a registered or unregistered relationship but sharing a household; parents; children; siblings) is already a Club Member, you should indicate them as your recommender.

If you register in the Club independently, without a recommender, you may use the automatic consultant selection system. Depending on your location, the service will assign a consultant who will help you navigate the product range, support you through wellness programs, and answer any questions arising during product use or interaction with the Company. The processing of personal data when using the service is carried out in accordance with Regulation (EU) 2016/679 (GDPR), in particular Articles 6(1)(b) and 6(1)(f).

Why join the Club?

Club Members receive a permanent 20% discount on all Coral Club products and other brand lines, as well as access to seasonal special offers and promotions, the opportunity to receive cashback, free training, and participation in wellness events organized by the Company. It is important to understand that by registering with Coral Club, you become a participant in a discount program (as in any store when registering a loyalty card) and do not become an employee, officer, or legal representative of Coral Club. Participation is governed by the applicable provisions of Spanish civil law, including Código Civil and consumer protection legislation — Royal Legislative Decree 1/2007.

In our relations with Club Members, we adhere to the principles of maximum transparency and fairness. Please review the rules for Club Members and comply with them to ensure that your experience with the Company is pleasant and comfortable. Commercial practices comply with the requirements of Spanish unfair competition law (Ley 3/1991 de Competencia Desleal).

Familiarize yourself with the key terms used in Coral Club

Once you register and receive a unique Club number, you will be assigned the status of Candidate for Club Membership. For 30 days, you can use the Club discount (–20% from the retail price) when making purchases on coral.club or at sales offices. If you do not make a purchase within 30 days, your Club number will be deactivated.

To receive a lifetime discount, place an initial order (purchase of any number of points) and transition to Consumer status.

A Consumer is a Club Member with a unique Club number that allows purchasing Coral Club products at Club prices, receiving bonuses for purchases made by recommendation, and for inviting new Club Members. Each Consumer also has a personal referral link that can be shared in just two clicks. Go to your personal account, copy the link, and send it to your friends. When your friends register using your link, they will also receive a 20% discount on Coral Club purchases, and you will receive cashback for each purchase made based on your recommendation. The processing of personal data of program participants is carried out in accordance with GDPR (Articles 6(1)(a), 6(1)(b)).

The more you purchase and recommend, the higher your cashback: upon accumulating 500 points from personal purchases (personal volume) and purchases made through your recommendation (group volume), you will receive increased cashback — 10% of the point value of orders — and a new status of Premium Consumer.

The next level — Director — allows you to receive additional bonuses in the form of 25% cashback on all purchases and an additional 10% to 25% from the purchases of those who joined the Club through your recommendation and indicated you as their recommender.
