

Cookies Policy

1. Information about cookies

In accordance with Law 34/2002 of 11 July on Information Society Services and Electronic Commerce (LSSI), in conjunction with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 — the General Data Protection Regulation (GDPR), as well as Organic Law 3/2018 of 5 December on the Protection of Personal Data and the Guarantee of Digital Rights (LOPDGDD), it is mandatory to obtain the user's explicit consent on all web pages that use non-essential cookies before the user begins browsing them.

2. What are cookies?

Cookies and other similar technologies, such as local shared objects, flash cookies, or pixels, are tools used by web servers to store and retrieve information about their visitors, as well as to ensure the proper functioning of the website.

Through these mechanisms, the web server can remember certain data about the user, such as their display preferences for the pages of that server, username and password, products of greatest interest to them, etc.

3. Cookies subject to regulation and exempt cookies

According to the EU directive, cookies that require the user's informed consent are analytical cookies and advertising and affiliate cookies; technical cookies and those necessary for the operation of the website or for the provision of services expressly requested by the user are exempt.

4. Types of cookies

According to their purpose

Technical and functional cookies: these are cookies that allow the user to navigate through a website, platform, or application and to use the different options or services available therein.

Analytical cookies: these are cookies that allow the controller to monitor and analyze the behavior of users of the websites to which they are linked. The information collected through this type of cookie is used to measure the activity of websites, applications, or platforms and to create browsing profiles of users of those sites,

applications, and platforms in order to introduce improvements based on the analysis of data regarding users' use of the service.

Advertising cookies: these are cookies that allow the most effective management of advertising spaces that, where applicable, the publisher has included on a website, application, or platform from which the requested service is provided, based on criteria such as the edited content or the frequency with which advertisements are displayed.

Behavioral advertising cookies: these collect information about the user's preferences and personal choices (retargeting) in order to enable the most effective management of advertising spaces that, where applicable, the publisher has included on a website, application, or platform from which the requested service is provided.

Social cookies: these are set by social media platforms within the services to allow you to share content with your friends and networks. Social media platforms have the ability to track your online activity outside the Services. This may affect the content and messages you see on other services you visit.

Affiliate cookies: these allow tracking of visits coming from other websites with which the website has entered into an affiliate agreement (affiliate companies).

Security cookies: these store encrypted information in order to prevent the data stored therein from being vulnerable to malicious attacks by third parties.

5. According to ownership

First-party cookies: these are cookies that are sent to the user's terminal equipment from a device or domain managed by the publisher itself and from which the service requested by the user is provided.

Third-party cookies: these are cookies that are sent to the user's terminal equipment from a device or domain that is not managed by the publisher, but by another entity that processes the data obtained through the cookies.

6. According to retention period

Session cookies: these are a type of cookie designed to collect and store data while the user accesses a web page.

Persistent cookies: these are a type of cookie in which the data remain stored on the terminal and may be accessed and processed for a period defined by the cookie controller, which may range from a few minutes to several years.

7. Processing of personal data

CONCEPTO DE SALUD, S.L. is the Data Controller of the personal data of the Data Subject and informs them that such data will be processed in accordance with the provisions of Regulation (EU) 2016/679 of 27 April 2016 (GDPR), and therefore the following information on processing is provided:

Purposes of processing: as specified in the section on cookies used on this website.

Legal basis for processing: except where necessary for website navigation, on the basis of the data subject's consent (Art. 6.1 GDPR).

Data retention criteria: as specified in the section on cookies used on the website.

Data disclosure: We will not share your data with third parties, except in the case of third-party cookies or where there is a legal obligation.

Rights of the Data Subject:

The right to withdraw consent at any time.

The right of access, rectification, portability, and erasure of your data, as well as the right to restriction of or objection to its processing.

The right to lodge a complaint with the supervisory authority (www.aepd.es) if you consider that the processing does not comply with the applicable regulations.
